

## September LLI Forum

**Thursday, Sept. 1, 2011, at 10 a.m.**  
**(Social Time at 9:30 a.m.)**

### Prohibition — A New Documentary Coming to Public Television

David Thompson

Our speaker, David Thompson, Vice-President of Cultural Programming for WETA, is the project director of public television's *Prohibition* and all WETA collaborations with Ken Burns. Mr. Thompson is well acquainted with the historical context and some of the controversies swirling around

American historical documentaries. What were some of the political and religious battles behind the national ban on alcohol from 1920 – 1933, sometimes referred to as "The Noble Experiment"? How did the federal and state governments' enforcement efforts foster the rampant spread of underground, organized and widespread criminal activity leading to the St. Valentine's Day massacre of 1929? What was the cultural impact of prohibition on the spread of jazz through thousands of speakeasy clubs? David Thompson has worked closely with Ken Burns in achieving several award-winning, balanced, scholarly, insightful and riveting series on American history.

## Campus Parking for the Handicapped

NVCC does not issue special permits for using the parking spaces designated for the handicapped on the Annandale campus.

Appropriate parking permits issued by any state and the District of Columbia are honored. The permit must be properly displayed and used only by the person or persons to whom it is issued.

## Trip Planner Update

As you noticed from the Calendar, LLI Trip Planners, Ginny Moser and Martie Klee, have already planned an October trip to the Scottish Rite Shrine and Meridian Hill Park in Washington, D.C. A November destination is to the Hillwood Estate, Museum and Gardens, of Marjorie Merriweather Post. The year ends with a visit to Richmond's Lewis Ginter Gardens where we are promised a treat of the best holiday lights anywhere.

A need still exists for people who will assist travel planning by researching trips, restaurants, and, for overnight trips, researching available motels. In addition, the program needs people to perform a few administration duties involved in trip planning. These duties may occur only once a year, providing there is enough staff to pick up the duties.

LLI members, please come forward to help Ginny and Martie continue to plan these trips for our pleasure.

*Did you know? The Joan of Arc Statue, in Meridian Hill Park, is the only statue in Washington, D.C., that depicts a woman on horseback?*

## President's Message

Welcome back to the Fall session. The board has remained active during the summer and met for an all-day retreat to discuss the long-range efforts of LLI. As we start a new year, we look forward to working with many of you.

A brief note on some of the issues of interest to the members:

**Volunteerism** — We keep our costs down by depending on volunteer efforts; everything from bringing in food, to working on the committees and participation on the board. We look to you for support and really need a *typist/organizer* to put our catalogue together.

**Travel** — Ginny Moser, along with Martie Klee, agreed to take on the effort of travel planning, at least temporarily, and we hope you will work with them on travel planning.

**Move** — We are still in transition in our office move. The school has planned to move us into new offices in the Administration building and perhaps we will be there by the time you read this.

**Parking** — This is a very difficult situation and depends on many issues. **Fortunately, classes will not be in session on September 1 and LLI members may park for free, if there is space, in the garage or anywhere in student lot B.** Generally the parking is better toward the end of the week, but the forum room is not often available then. We have arranged for this Forum to be on a Thursday. Other Forums will often be on a Wednesday and, hopefully, this will improve the parking situation. We have arranged for the parking garage to sell one-day parking tickets when the garage is full so you can park in the student lot. Unfortunately, they have not figured out how to do this on an hourly basis so we have to pay the \$6 rate for a full day.

**Dues** — Once again we have maintained the same rate of membership dues as we have for the past five years. Part of our expenses will be drawn from the reserve we have built up and, eventually, we will need to increase dues to cover current expenses.

**Member Relations** — We are all about our members, but while it is important, this tends to have a lower priority as we struggle with other issues. This year we started a new task force under Pat Harris and Louise Blakely to see what we can do to improve how we interact with members.

*Paul Hopler*

## Community Outreach

Betty Lee Thatcher 703-354-8154  
Carol Weber, caroljeanweber@hotmail.com

During the Sept. 2010 – June 2011 period, our members very generously contributed non-perishable food and household supplies each month for many community charitable organizations. Each month our collections filled three to four grocery carts. The organizations and the person who delivered the items are listed below:

**September 2010:** Food for Others — Bev Portman

**October:** Arlington Food Assistance Network — Marianne Moerman

**November:** Lorton Community Action Center — Pat Harrison

**December:** no collection

**January 2011:** United Community Ministries — Jane Jones

**February:** Arlington's Emergency Winter Shelter — Gina Trapp

**March:** FACETS — Bonnie Hopler

**April:** Providence Presbyterian Church — Clint Hall

**May:** ACCA — Betty Thatcher and Carol Weber

**June:** Annandale Neighborhood Food Site — Carol Weber

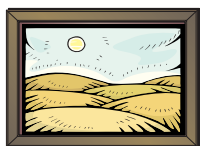

The September 1 Forum begins our monthly food donation program. Undoubtedly, you know that most food pantries continue to experience an increase in the number of families who need emergency food supplies while monetary resources from state and local governments and donations from organized food drives continue to decrease. Our monthly donations supplement many area food pantries.

This month, our first time recipient is the **Committee for Helping Others (CHO)**, organized in 1969 by churches and individuals in the Dunn Loring/Merrifield/Oakton/Vienna areas to provide charity to those in need of goods and services unavailable through their own efforts or government assistance. CHO is open to all individuals and religious, civic and service organizations interested in improving quality of life for all in the community. In addition to operating a food closet, CHO provides family emergency assistance, a clothes closet, a furniture warehouse, transportation service and Meals on Wheels.

Current Food Needs: **2 lb. bags white rice; cooking oil; children's cereals and snacks; canned fruit and tomatoes; tomato sauce; spaghetti sauce; canned meals, e.g., ravioli, baked beans; and canned meats and fish, e.g., ham, tuna, salmon.** Laura Charron will deliver the food. Thank you for your generosity.

I felt like my body had gotten totally out of shape, so I got my doctor's permission to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for over an hour. But, by the time I got my leotards on, the class was over.
