*Top Science Educator Discusses  
How Chemical Principles Relate  
to Real World Applications*

Reva A. Savkar

Reva A. Savkar, associate professor of chemistry at NOVA-Annandale, received the 2013 Chancellor's Award for Teaching Excellence. This annual award recognizes one teaching faculty member in the entire state-wide Virginia Community College System.

"Throughout the years, she has

demonstrated a commitment to teaching excellence by being student-focused, innovative in the classroom and enthusiastic about her work," said Dr. Robert Templin, Jr., NOVA's president.

Savkar received her bachelor's degree in chemistry and physics, and a master's degree in organic chemistry, from the Institute of Science in Mumbai, India as well as a master's degree in computer science from Virginia Tech. An educational pioneer, she has been teaching chemistry and computer science courses at NOVA-Annandale since 1974 and developed the first online chemistry course in the United States in 1995. Her online courses are among the fastest growing classes for NOVA's Extended Learning Institute. For the past 17 years, Savkar has led the popular Science Seminar Series at the Annandale Campus, which brings together scientists outside of the College and in-house faculty to discuss science topics that affect the current day-to-day world.

Professor Savkar volunteers with a humanitarian organization, Maiti Nepal, and she recently traveled to Kathmandu, Nepal to set up a Learning Resource Center at a women's shelter for victims of sex

So, brush up on the periodic table, and bring your questions to the June Forum to hear a most outstanding science educator.

**Please be seated early so we can meet our Scholarship recipients before our Forum speaker begins her presentation.**

**Please Note:** Parking is available in the parking garage (\$2/hour). Parking in B and C lots is by permit only. If no garage slots are available, a \$12 daily permit for the B lot is available at the office to the right just inside the garage entry gate.

# President's Message

## A Note of Thanks

**A**s I finish out my second, and last year, as President, I have so many people to thank that I simply could not list them all. So I'll take a different approach. First, I have received far more from you and this organization than I ever gave. I have been interested in adult learners, and that unique process older folks use in learning new or different information or tasks, since I was in graduate school. Adult learners, whether they are attending night school or one of our classes, come to education entirely differently than an eighteen-year-old. One of my mentors, Dr. Richard Howe, would be proud to know that I still have that curiosity and it has been a blast to have been a part of it all.

Second, I have learned, and sometimes relearned, so much from the classes I have taken through LLI. But, perhaps more importantly, I have learned even more by being a part of the Curriculum Committee. Being a part of the process of identifying possible subjects, locating an instructor, finding the space, and lastly, creating a new catalog, is fascinating. It really changes how you view others (That's a great hobby — would she give us a class on it? Super presentation — would he do that for LLI?). And interestingly enough, most people we ask are very willing to share with us. They, like you, have skills or interests that, when asked, they are willing to share with our world. We just have to ask.

Third, over the past several years I have been a part of the Scholarship Committee and I am still amazed at the generosity of our members. We have poured thousands and thousands of dollars back into our community, providing some much-needed assistance to some very special individuals. While each year we have been able to give five or six scholarships, you cannot believe the needs of those who didn't get one. We can't change the world, but we can and have changed a few lives. It's not everything, but it is something, and it has been worth all the effort. What a great way to give back.

Finally, through LLI, I have met some of the most interesting people on the planet! And we come in all different sizes, shapes and colors. We have quiet ones and loud ones, old ones and not-quite-so-old ones, smart ones and *really* smart

# Community Outreach

Carol Weber, [caroljeanweber@hotmail.com](mailto:caroljeanweber@hotmail.com)  
Marianne Moerman, [mcmoerman@juno.com](mailto:mcmoerman@juno.com)

June will be our last food drive until the September Forum. The recipient this month is the food pantry operated by the Annandale Christian Community for Action (ACCA). ACCA has served low income families in the Annandale/ Bailey's Cross Roads area since 1967. Currently, twenty-six churches are involved in carrying out ACCA's mission.

In addition to a food pantry, ACCA provides programs that assist needy families referred by Fairfax County or other organizations: emergency financial assistance, transportation to medical appointments, a furniture warehouse, Rebuilding Together, and meals for Bailey's Shelter. ACCA also supports a Child Development Center, which is the only program with paid staff.

The food pantry provides non-perishable and fresh foods to these families. Volunteers come to the pantry, select the needed items, and deliver them to the homes of these families. For the month of April, there were 108 deliveries for 355 people.

Current needs include **various canned vegetables, tomatoes, baked beans, and fruit; and all types of dried beans.** Of course, any non-perishable food is welcomed. Your donations are needed and appreciated. Carol Weber will deliver the food this month.

ones, and those who want to give and those who want to receive. In short, we are normal people who have one thing in common — we want to learn. We want to stay intellectually connected to this wonderful world and we would rather wear out than rust out. It has been a pure pleasure to be the "Chief, Cat Herder" for the past two years.

**Thank you.**

*Ed McKnight*

## LLI Walkabouts

Merry Macke, 703-451-3248, cell phone:  
978-505-9506 [merry.macke@verizon.net](mailto:merry.macke@verizon.net)

**Date/Time: Fridays** at noon

(The next two walks will be somewhat vigorous. If walkers would prefer less of a challenge, I can revise — I will be in Ireland from May 11 to 26).

**May 30: Ellanor C. Lawrence Park, Chantilly.** (Note change of date.) Hopefully it will be dry at the time of the walk, because it can get very muddy. It will take about 1/2 hour taking I-66 west to Rt. 28. Take Rt. 28 north, and then immediately turn right to Walney Road. On the left, you will find the Visitor's Center, about 1 mile ahead. It is worth the distance with a pond to circle. Do wear hiking boots or sturdier types than gym shoes.

**June 13: Pohick Creek Stream Valley Park.** Take Springfield/Franconia Parkway going west. Pass Rolling Rd. and the next light is Whistler's Creek Dr. Turn left and then right on Hooes Rd. Almost immediately on your left will be a small parking area. Sign says Pohick Stream Valley Park. If you are traveling from the west on the Springfield/Franconia Parkway, pass Gambrill Rd. exit, and then turn right onto Whistler's Creek Drive as noted above. There are pedestals to cross over the creek so you may want to bring walking sticks if you feel they help keep you balanced and wear sturdy shoes; also one big hill. Very nice, pretty walk.

**June 27: Lake Accotink Park.** Front entrance to park — Turn onto Highland St. from Backlick Rd. Follow signs to the park. Meet at the Marina parking lot area in front of the restrooms. We will hike on the north side of the lake.

**July 11:** The hike, on the south circle of **Lake Accotink Park**, will provide a view of an eagle's nest.

Please remember to wear your name badge as this is now a requirement for many facilities where classes are scheduled. It is also the best way for new members to get to know others and a way for established members to welcome new members. If you have lost your badge, just contact Laura Charron at the LLI office and she will send you a new one; a replacement lanyard has a fee of \$1.00.

## Study Travel

Thirty-nine members of our Study Travel group are preparing for the July 10 departure to Seattle, the start of an almost two-week trip to the NW National Parks and the Canadian Rockies. Don't forget to attend the Study Travel class sessions in June in preparation for the trip. If you have a sudden desire to join us on this trip, contact Terry Brittain at 703-425-8240 or at [terry\\_brittain@cox.net](mailto:terry_brittain@cox.net) as we have one open seat on the trip.

The big news for Study Travel is that after extensive polling, eliminating, and voting, the winning selection for our 2015 Study Travel trip is Grand Circle Travel's (GCT) "Discover Sicily: Heart of the Mediterranean," a 16-day tour that includes Rome, departing on **May 9, 2015**. There is no single supplement for this tour.

We hope to keep this as an exclusive LLI trip. Registration is open now, and we think it will sell out quickly! A deposit of \$350 per person will hold your space, and if you pay in full by June 25, you will get a 10% discount. Remember, our Study Travel trips are open to friends and family. Want more information about the trip to Sicily? Contact Bob Huley, 703-534-4819, or [roberthuley@cox.net](mailto:roberthuley@cox.net) for a copy of the trip flyer, which includes detailed itinerary, pricing, pre-trip and post-trip options, and registration instructions. The flyers will be available at the June Forum.

If you are interested in enrolling or signing up for our email list or joining the Study Travel Committee, contact Bob Huley as indicated above. Happy traveling!

## Did You Know?

As a member of LLI you have a wonderful Northern Virginia Community College library at your disposal. The library is located on the third floor of the Godwin Building just up the ramp from the Richard J. Ernest Community and Cultural Center. To use the library, you simply sign up for a Community Patron card by showing a picture ID. You then can charge out a limit of three books for three weeks and take them home. Also you can renew books online for an additional period. If you have LLI classes on the campus, this resource would be very convenient. Go to <http://www.nvcc.edu/library> for more information.

## Notice

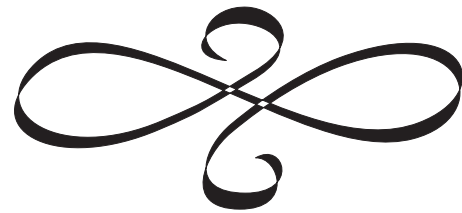

RADM Terry Mc Knight, USN (RET.), the May Forum speaker, will make available copies of his book, *Pirate Alley*, to any LLI member upon request. He may be reached at [www.admiralandthepirate.com](http://www.admiralandthepirate.com), [temcknight@hotmail.com](mailto:temcknight@hotmail.com) or 703-606-1604.

Appropriate parking permits issued by any state and the District of Columbia are honored. The permit must be properly displayed and used only by the person or persons to whom it is issued.

## Membership Renewal Reminder

The mailing label on each newsletter includes your membership renewal date. You must renew and be a member in good standing in order to register for courses and to participate in LLI's many other activities. Complete the membership form (last page in the current course catalog), check "renewal," indicate any new information, and mail it to the LLI office with a check in the amount of \$110 for each person wishing to continue membership with LLI. Please print clearly to help ensure that your information is entered correctly. **It is important to include the form with your check, for ease in crediting your membership renewal in our database.**

# 2014 LLI Scholarships Recipients

**T**his year, nine students will receive scholarships from LLI. These recipients have a very high, if not straight A, grade point average, and are outstanding in their various activities. All will be greatly helped by the scholarships awarded from the generous donations we received from LLI members. Tuition rates, even at NVCC, have escalated — really unbelievable from when our generation's children attended college.

We wish them all the best in their future endeavors.

## **Leadership Scholarships**

**Hadeel Shadid**, awarded the **\$2,000 Knox Singleton Leadership Scholarship**, has been a highly involved student at the Annandale Campus, becoming Vice President of the Student Government where she chaired events such as the Great American Smoke Out — an awareness event about the risks of smoking.

She has also been the President of the Pre-Medical Society; Vice President of Service of Phi Theta Kappa; a Student Ambassador; a New Student Orientation Leader; and a student member of the College Senate, the Campus council and the Parking Task Force.

**Giancarla Rojas**, awarded a **\$1,500 Leadership Scholarship**, is currently pursuing a degree in Business Administration. Co-Founder of Dreamers of Virginia, a student organization that does high-quality organizing and outreach work, she has been described as a person of extreme kindness, relentless courage, caring disposition, and outstanding work ethic. In her own words — “Where most people see uncertainty, obstacles, and challenges I see opportunities.” Her former high school Dean of Students says “Giancarla is indeed an exemplary ‘dreamer’, a relentless believer in education as an inalienable right and a source of well-deserved empowerment and advancement.”

**Mariyam Raziyeva**, awarded a **\$500 Leadership Scholarship**, is an international student currently participating in the Tutoring program as a tutor of Math and Accounting. She is trying to show her students that through hard work, confidence and persistence, they

will become not only excellent students, but also superb professionals in their prospective careers. While maintaining a 4.0 GPA, Mariyam participates in Phi Theta Kappa Honor Society and assists ESL students at the Writing Center. Her ultimate dream is to be a professor and she believes that education is a tool that liberates and empowers people.

## **Academic Scholarships**

**Kyu Hee Lee**, awarded a **\$2,000 Academic Scholarship**, came to the United States as an international student at age 14. Despite facing many difficulties, such as a language barrier and cultural differences, she enjoyed every moment and wanted to achieve her academic goals here. The professors and diverse student population at NOVA gave her motivation and passion for education and enabled her to discover what she really wants to do in the future. With experience as a Science Learning assistant for the Science Department at NOVA, she decided to become a science and medical educator. Kyu loves both learning and teaching, enjoys communicating with students, and hopes to attend medical school after graduating from a 4-year university.

**Barbara Montgomery**, recipient of a **\$1,500 Academic Scholarship**, has completed her Honors AA degree at NOVA and will transfer to the University of Virginia to study government. She then plans to attend law school and become a human rights lawyer and speak up for those who face injustice.

Dance and justice are two of Barbara's greatest passions, and she has used her choreographing skills to create dances that address key social issues — including homelessness and modern-day slavery. Barbara is grateful beyond words for all the opportunities NOVA has

provided her, including several scholarship awards, the Honors program, and a study abroad opportunity this summer.

**Kyu Hee (Peggy) Ho**, awarded a **\$1,000 Academic Scholarship**, was born and raised in Virginia, but is of Chinese descent. After a childhood spent reading and exploring the outdoors with her brother, she now spends her free time rock climbing, hiking, fishing, and developing her dream of having a life retreat center. She will use her scholarship at the College of William and Mary for the fall semester, where she will study psychology and further develop her outdoor experience.

**Doreen Ngo** is awarded a **\$1,000 Academic Scholarship** to further her studies in physics. After overcoming life's setbacks, working, and studying part-time at NOVA, she will be entering George Mason University this fall and then plans to attend graduate school to research in the field of condensed matter physics. She plans to teach and become a communicator of the sciences and hopes to inspire others to be curious, innovative, and ambitious.

**Antoinette Orozco**, awarded a **\$1,000 Academic Scholarship**, Antoinette Orozco will be attending George Mason University, majoring in International Relations and hoping to complete a minor in International Politics. She is a former Youth Christian Association President, Student Government Association Vice-President, College Republican Treasurer, Rotaract member, and Hispanic Student Union member. She hopes to stay involved with her community in the future. When she isn't working on her studies, Antoinette volunteers at Lucas 4-18 Homeless.

**Hieu Dang Nguyen**, recipient of a **\$500 Academic Scholarship**, feels he is fortunate to have more opportunities here in the United States to further his education. Pursuing a career in Accounting, his future goal is to start an accounting firm, from which he will be able to give back to the community by providing affordable accounting services. More importantly, strong family ties and responsibilities encourage him to strive for success. For him, this is his responsibility, and also his motivation and strength.

## Mason District Supervisor Honors Patricia Daniels

**Patricia Daniels**, a member of our Curriculum Committee representing the National Park Service (NSP) and technology classes for

*Patricia Daniels*

seniors, was selected by Supervisor Penny Gross of Mason District as her 2014 Community Champion. Pat was feted along with others at the annual Fairfax County Volunteer Service Awards Program and Breakfast on April 25.

As an LLI member for approximately 10 years, Pat quickly enjoyed the NSP classes and when the opportunity arose, she joined the Curriculum Committee planning courses for each semester. She feels small steps can make a big impact in helping to enrich the educational life of others.

Supervisor Gross, a long-time supporter of senior citizens in her district, had observed Pat many times at Mason District Governmental Center arranging classes for seniors and felt Pat was making an impact close to home for people age 55 and older. In her remarks during the awards program, she stated "Pat Daniels' advocacy for lifelong learning is infectious. Her enthusiasm for nearly any subject is boundless, and she also brings a common sense attitude to the learning process. Detail oriented, Pat serves our growing older population with grace and sensitivity."
