Volunteering Together to Build Affordable Homes: The Habitat for Humanity of Northern Virginia

The Habitat for Humanity of Northern Virginia (NOVA) has built 92 low-cost homes for deserving families since the chapter began in Alexandria, Virginia in 1990. Recently, NOVA Habitat experienced a significant milestone when volunteers completed their first two homes with eight solar panels each. The energy savings will make a considerable difference for the new homeowners. Site supervisors teach everyone how to practice safe and efficient construction skills. Every year, Habitat hosts a week long National Women Build Week that highlights the homeownership challenges faced by women. The impact of Habitat goes far beyond the number of homes constructed. Building a home alongside other volunteers and partner families, with donations by local businesses and individuals, brings the whole community together.

Rev. Jon Smoot

Reverend Jon Smoot, Executive Director of the NOVA Habitat, will tell the story of Habitat with pictures, stories, and charts. Jon is a dynamic speaker and leader with a highly diversified background. Prior to his appointment at Habitat, Jon served for 23 years as Senior Pastor for Presbyterian churches in Virginia, Maryland,

Wisconsin, Pennsylvania, and Scotland. He also is an experienced developer and contractor and knows every phase of the construction process. Jon Smoot is an ardent advocate for affordable housing, actively engaging many civic and community organizations in pursuing this goal.

Holiday Party

Friday, December 2
**Country Club
of Fairfax**

If you want to serve on the planning committee, contact **Bonnie Hopler** at pbhopler@cox.net. The first meeting will be on Tuesday, September 27, at 1:30 p.m. in the meeting room at the Kings Park Library 9000 Burke Lake Road Burke, Virginia.

The Executive Director will bring one or more volunteers to share their experiences on Habitat projects. Also, LLI members who have worked on Habitat projects will have an opportunity to participate in the presentation. LLI is about to kick-off another season of stimulating Forums and everyone is invited.

Parking Information: *Parking will be free on Wednesday, September 7. You may park free in the visitors' garage — if there is space — or without a permit anywhere in student lots B. However, since NOVA students tend to take the close in free garage spaces, please come early if a close parking space is important to you.*

President's Message

I sincerely thank the LLI/NOVA membership for electing me to be your new president for the 2016-2017 fiscal year. I plan to fulfill the obligations of the office and fully promote the interests of the organization to our community.

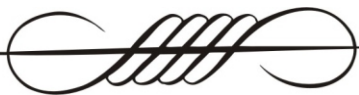

The LLI/NOVA Board conducted a day long retreat in June, at which time we reviewed the health of the organization and direction of our programs. Our financial status, membership level and programs function on a sound basis. We look forward to begin testing a new LLI web site and developing programs to make our operations more efficient. The volunteer spirit of participation in these efforts contributes greatly to the overall success of the organization.

I would like to recognize the work of our Study Travel Committee and the Trips Committee. The outstanding planning provided great travel experiences and at reasonable prices. I especially thank Bob Huley's outstanding leadership in organizing the Romantic Villages of Alpine Europe tour and Sid Sachs for his excellent coordination with Overseas Adventure Travel on the Untamed Iceland tour. There were multiple highlights of both tours but perhaps the abundance of spectacular waterfalls of all descriptions in both Switzerland and Iceland were just one of the many favorite sights. See photos of our overseas trips on the LLI web site. I would also like to commend Pat Harrison for her outstanding leadership in organizing the revival of our local Trips Committee. I encourage the membership to support her committee's offerings of interesting nearby attractions.

We look forward to the year ahead. Many enjoyable activities await our membership. We welcome new members into our organization.

Best Wishes

Scott Pinckney, LLI President

Forum Refreshments

If you are unable to deliver refreshments on the day for which you have volunteered, please notify **Patty Brennan**, (703) 425-6738, or **Phil Centini**, (703) 658-1545, as soon as possible so they may make other arrangements.

Community Outreach

Carol Weber, caroljeanweber@hotmail.com
Marianne Moerman, marianne.c.moerman@gmail.com

Ecumenical Community Helping Others (ECHO) is an all-volunteer charity providing food and financial help to people with short-term emergencies and provides clothes and household items to people with low incomes. During the last fiscal year, ECHO gave 226,000 pounds of food to 1,127 clients (4,500 family members). Food stocks in August and September are at the lowest, so our September Forum donations will help to refill their shelves.

Food items needed: **cooking oil, pancake batter & syrup, box potatoes, rice (2 lb. packages), beans (2 lb. packages), spaghetti noodles and spaghetti sauce.** Non-food items: **children's toothbrushes and pain/cold medicine, adult pain/cold medicine, laundry detergent, deodorant, razors, shaving cream, and tissues.**

Martie and Chuck Klee will deliver our donations. Thank you.

Bev Portman reports that our June food donations to *Food For Others* weighed in at 142 pounds. Thanks to all.

For new members: We collect non-perishable food items at each monthly Forum that are later delivered to a local food pantry by one of our members.

LLI's Friendship Connection

Pat Harrison, 703-550-7530, pjharris80@msn.com

One of the benefits of LLI membership is making friends. We like to show support for fellow members by sending a card to anyone who is ill or has suffered a loss. If you would like a card sent to an LLI member or spouse on behalf of the LLI membership, please contact Pat Harrison. Be sure to include sufficient information so an appropriate card may be selected.

Our selection this month is ***The Invention of Wings***,
a historical novel by Sue Monk Kidd. Set in the early
1800's, it tells the story of four women from
Charleston, South Carolina — two sisters from the
prosperous white Grimke family, and an African
American mother and daughter who are their house
slaves. All four share an ardent desire to "fly" free —
Sarah and Angelina Grimke from the constraints of
being female in the early nineteenth century, and
Hetty and her mother, Charlotte, from the bonds of
slavery. Come join us!

In Memoriam

Longtime LLI member **Clint Hall** passed away on July 20, 2016. Clint was an active member and volunteer in LLI for many years. He served on the Curriculum Committee and was the first to be given the official title of "Space Coordinator," a vital part of the preparation of each LLI Course

Catalog. He did much to define the position as it currently exists. Many remember Clint making countless trips to the many classroom venues used by LLI. Then he began using email and didn't see how the job could be done without it!

Clint was a regular at LLI Forums and courses and was always willing to lend a helping hand. He was well-known for and proud of his career in the Marine Corps, and had a reputation for his wonderful and dry sense of humor. He could always put a smile on someone's face. LLI members send their condolences to Clint's family, particularly his wife Kathy, also an LLI member.

Kathy Scheibelhoffer, an LLI member for many years, passed away on July 18. Kathy particularly enjoyed attending LLI classes, especially those presented by the National Park Service. These classes were a reflection of her interests and her volunteer activities at the Fort Ward Museum, as a docent at the Arlington Historical Museum, and as a member of the Alexandria Archaeological Society. She is remembered in LLI for her kindness and positive attitude.

In Memoriam Notification

One of the benefits of belonging to LLI is that we make and enjoy many friends and acquaintances. So that we may express our condolences, LLI members would appreciate being notified in the sad event that we lose someone from our community. Effective with this newsletter, if you become aware of the passing of any LLI member, please contact Gina Trapp at GTrapp_26@msn.com or (703) 522-7528. She will include a notification in the following newsletter. Thank you.

NVCC Newsletter

The Northern Virginia Community College, Annandale Campus, issues an electronic community newsletter. Goals of the newsletter include providing information regarding activities and events on campus and addressing community concerns. If you would like to receive this newsletter, send your request with your email address to rhull@nvcc.edu.

Important — Keep Your Membership Directory Current

Please remember to retain your LLI Handbook and Membership Directory and note in it the Members information that is provided each month on Page 2 of the newsletter. This will help keep your directory up to date with changes that occur between the annual directory issuance dates.

Newsletter on the Web

Our monthly newsletter is generally available on the LLI website earlier than you will receive it through the mail. In cases of delivery delays by the Postal Service, you may want to keep <http://lli.nova.org> in mind. Any pictures and/or graphics will also be in color on the website.

Campus Parking for the Handicapped

NVCC does not issue special permits for using the parking spaces designated for the handicapped on the Annandale campus. Appropriate parking permits issued by any state and the District of Columbia are honored. The permit must be properly displayed and used only by the person or persons to whom it is issued.

SENIOR COMPUTER SKILLS

Customer: I have a huge problem. A friend has placed a screen saver on my computer, but every time I move the mouse, it disappears.

Tech support: How may I help you?

Customer: I'm writing my first e-mail.

Tech support: OK, and what seems to be the problem?

Customer: Well, I have the letter 'a' in the address, but how do I get the little circle around it?

A woman customer called the Canon help desk with a problem with her printer.

Tech support: Are you running it under windows?

Customer: No, my desk is next to the door, but that is a good point. The man sitting in the cubicle next to me is under a window, and his printer is working fine.

Tech support: Okay Bob, let's press the control and escape keys at the same time. That brings up a task list in the middle of the screen. Now type the letter 'P' to bring up the Program Manager.

Customer: I don't have a P.

Tech support: On your keyboard, Bob.

Customer: What do you mean?

Tech support: 'P'.....on your keyboard, Bob.

Customer: I'M NOT GOING TO DO THAT!

A Change in the Schedule for Donations from LLI Members

To assist in the scheduling of several charities which we support with donations from LLI members, we will change the dates of collections this winter, as follows:

- At the November Forum, plan to bring new, unwrapped toys for the children, aged 2-16, at the Bethany House. You have been generous with gifts of toys for these children for several years at the Holiday Party, but we want to deliver these to the Bethany House earlier this year.
- At the December Holiday Party, plan to bring canned goods and other food items. The charity to receive these will be announced later. This is the food you would normally donate at the November Forum.

New this year! Also at the Holiday Party on December 2, you have the opportunity to bring new (unwrapped) books for children. These books will be donated to The Reading Connection, which serves children in Northern Virginia. The reading range is 1st-6th grades and they prefer paperbacks rather than hardcovers, although board books are good for infants and toddlers. We will have their current wish list for you at the Forum in September. You can find their Amazon wish list at <http://amzn.com/w/2FR9ZLVCQQ9GP>.

Did You Know?

As a member of LLI you have a wonderful Northern Virginia Community College library at your disposal. The library is located on the third floor of the Godwin Building just up the ramp from the Richard J. Ernest Community and Cultural Center. To use the library, you simply sign up for a Community Patron card by showing a picture ID. You then can check out a limit of three books for three weeks and take them home. Also you can renew books online for an additional period. If you have LLI classes on the campus, this resource would be very convenient. Go to <http://www.nvcc.edu/library> for more information.

Study Travel

Our two great trips for 2016, **Romantic Villages of Alpine Europe** and **Untamed Iceland**, are in the record books. We have two more fabulous trips scheduled for 2017. The first, CIE's "**Scottish Isles and Glens**" tour is currently sold out, but we are maintaining an informal wait list for this trip. Our second trip is Grand Circle Travel's 11-night trip, **Cruising Burgundy & Provence to the Cote d'Azur**. This trip, departing in August 2017, goes from Paris to Nice and includes a 7-night cruise on the Saone and Rhone rivers. Almost all of our cabins have already been booked, but we still have some space left. If you are interested in joining us on this river cruise, or the wait list for the Scottish Isles and Glens tour, the trip flyers are posted on the LLI website (<http://lli.nova.org>) or you can contact Bob Huley for more information.

With 2016 done, and 2017 scheduled, it is time to start thinking about 2018. We will begin planning right after the October Forum, so think about where you would like to go in 2018.

To join the Study Travel email list and receive advance notification of Study Travel trips and activities, please contact Bob Huley at (703) 534-4819 or roberthuley@cox.net. If you would like to be on the Study Travel Committee and help analyze destinations and tours for future trips, please let Bob know. See you at the September Forum.

Happy traveling!
