***An In-Depth Look at Self-Driving Cars:
The Companies, the Technologies, Test
Results To-Date, and the Enormous Safety,
Regulation, and Insurance Issues Looming.***

Candidly your Forum team thought we would be presenting a preview about distant technology — science fiction today. But no, driverless cars are already far-advanced and might be on our streets within three years. According to WAYMO, an independent company of Google Alphabet, today you can get into an autonomous car and go where you want at the push of a button without the need for a person at the wheel. In fact, there may not be any steering wheel or brake or fuel pedals. Google says that their fleet of cars has already logged nearly 2 million test miles as of June 2016. In 2015 a blind person rode on public roads in Austin, Texas. But what happens when a driverless car is involved in an accident? Who will be at blame and how will this be decided? In fact, in February 2016 a Google driverless car in California hit a bus with 15 passengers onboard. Fortunately, nobody was injured and Google did accept responsibility. But no question — it is a brave new world coming! When sensors and software replace drivers, there will be huge challenges ahead in revising Federal and State laws, insurance rules, and consumer protections. The American Automobile Association (AAA) has been studying the new industry and how self-driving vehicles will impact people and economies around the world. Our speaker at this event will be **Jill Ingrassia**.

Weekend Coffee Meetups by City/Zip Codes

Starting early this spring, LLI NOVA will initiate a new weekend social program to encourage members who live near each other to connect and socialize.

Members in designated zip codes will be invited to meet up informally with their fellow members at a member host's home on a Saturday/Sunday afternoon for coffee/tea and socializing.

There is no pressure to perform a task or activity — just enjoy a non-alcoholic drink and share a story with

fellow LLI members who also live nearby. Meetups for seniors can provide a support system, motivation to try new things, and a sense of purpose in helping others.

Our membership will be sorted by city/zip codes so that each meetup hosts a small group until we cover all who want to participate. Frequently, meetups will occur concurrently and members living in large clusters (e.g., Falls Church and Springfield) may be further divided into smaller groups. The hosts are volunteers and there is no requirement for reciprocity. We appreciate that local coffee shops/Wegmans also may be good locations; however, we are piloting the initial meetups in private residences. This ensures that attendees are able to move about and mingle with their LLI "neighbors."

Anna Dixon is the coordinator for this project, and Anna (Fairfax Station) and Karren Scott (Alexandria) will host the first meetups in March. Stay tuned!

Cancellations Due to Inclement Weather

If the Fairfax County Public Schools (FCPS) cancel school for the day due to inclement weather or other emergency, all LLI classes, Forums, and other activities, except trips, are cancelled regardless of class location. LLI morning classes are cancelled if the FCPS announces a 2-hour delay in class openings; LLI afternoon classes are cancelled if the FCPS announces early dismissal.

President's Message

I want to especially commend Lynne Smaldone and the LLI Favorite Books Club Special Interest Group for the outstanding effort to collect 300 Children's Books for The Reading Connection at this year's LLI Holiday Party. The Reading Connection is acknowledged as 'One of the best small charities in the Washington D.C. region' according to the Catalogue for Philanthropy. The mission of The Reading Connection is dedicated to improving the lives of at-risk children and families. Their volunteers read aloud to children at shelters and community centers and are often the only adults that can reach these children. They also conduct workshops that help parents encourage reading and literacy development. Donations provide children with free, new books to keep. The Reading Connection workshops help parents encourage reading which in turn improves the chances of academic success.

The LLI Board has agreed to continue the collection effort again this year and Lynne Smaldone will coordinate the effort. We thank all who made this year's collection a big success.

Scott Pinckney, LLI President

Looking for Art Lovers

There is a great exhibit at the Virginia Museum of Fine Arts in Richmond — Jasper Johns (splatter painter) and Edvard Munch (*The Scream*) for you lovers of modern art. I plan to go on either February 2, 3, or 5. The exhibit closes on February 20. This trip will be by carpool. Expect to spend all day. There are many other fine exhibits to enjoy and a great restaurant at the museum.

Please let me know, by email, if you are interested.

Community Outreach

Marianne Moerman, marianne.c.moerman@gmail.com

Our February donations of non-perishable food items will be delivered to Ecumenical

Community Helping Others (ECHO). Serving our neediest neighbors in Springfield and Burke, ECHO relies on individual donations as well as large food drives held by faith groups, community organizations and schools to stock its pantry shelves. Your donations to this all-volunteer charity are needed and very much appreciated! Food items in short supply at this time include: **spaghetti sauce, condiments (ketchup, mustard, mayo), Jello and pudding mixes, pancake syrup, tea and coffee, juice (large cans or bottles), canned tomatoes, canned meats, and jelly (grape or strawberry).** Anna Dixon will deliver our donations this month. *Thank you for caring and sharing!*

Internet Alert

Since some members of LLI are having trouble receiving our LLI e-mails through their Cox and AOL e-mail accounts, we are now posting these e-mails on the <http://lli.nova.org> website. In the top left hand column, right under the link to our latest newsletter, there is a link to our recent e-mails. After receiving an e-mail, our webmaster will copy it with the name of the person mailing it, the subject of the e-mail and the date/time of the message to a special web page. The newsletter is posted, in color, online about one week before the black and white copy is received in the U.S. mail.

In Memoriam Notification

One of the benefits of belonging to LLI is that we make and enjoy many friends and acquaintances. So that we may express our condolences, LLI members would appreciate being notified in the sad event that we lose someone from our community. If you become aware of the passing of any LLI member, please contact Gina Trapp at GTrapp_26@msn.com or (703) 522-7528. She will include a notification in the following newsletter. Thank you.

Please remember to wear your name badge as this is now a requirement for many facilities where classes are scheduled. It is also the best way for new members to get to know others and a way for established members to welcome new members. If you have lost your badge, just contact the LLI office and they will send you a new one.

Mark Your Calendar!

The LLI Trip Committee has several trips in the works for 2017, two of which are announced in this newsletter. Watch for further details on the other trips in future newsletters. Mark your calendar and register early. The upcoming trips are:

Study Travel

Planning for our trip(s) for 2018 is on schedule. The results of our Study Travel member's preference survey are in. The Study Travel Committee summarized reviews of more than 150 trips provided by approximately 20 tour providers covering the initial 7 destinations chosen by our members in October. This initial analysis identified 18 different trips/itineraries from which the Study Travel group then indicated their preference.

Based on the member's preferences, we have reduced the trips to 6, and they are, in order of preference:

- Northern Tier US National Parks (both versions, i.e., including Mt. Rushmore, and Mt. Rushmore and Southwest Parks extension)
- California State/National Parks (including Yosemite)
- The Canadian Maritimes
- Adriatic/Dalmatian Coast (land tour)
- Italy — Northern Regions and Major Cities

The Study Travel Committee will now focus our analysis on these six specific itineraries and develop more detailed reviews and recommendations for these tours. The members will then choose our 2018 trip from among these six tours. We hope to be able to announce the final selection no later than the March Forum.

Our June 2017 trip to Scotland, "**Scottish Isles and Glens**," is fully booked with 41 participants but if you wish to be "Wait Listed" for this trip contact Bob Huley. Thirty have signed up for our second trip in 2017, "**Cruising Burgundy & Provence to the Côte d'Azur**," but there are still a few cabins available. This 12-day trip departs in late August and travels from Paris to Nice and includes a 7-night cruise on the Saone and Rhone Rivers. If you are interested in joining us on this river cruise, the trip flyer is posted on the LLI website (<http://lli.nova.org>) or you can contact Bob Huley for more information.

To join the Study Travel email list and receive advance notification of Study Travel activities and participate in the selection of our 2018 trip, please contact Bob Huley at (703) 534-4819 or roberthuley@cox.net. We are also looking for more help on the Study Travel Committee to analyze destinations and tours for future trips and to provide the Study classes for our destinations. Please let Bob know if you are interested. See you at the February Forum.

Happy traveling!

In Memoriam

Phil Reeves, one of LLI's founding members, passed away on November 22, 2016, at age 90. Phil, who was a decorated officer in World War II, made invaluable contributions to LLI. He was a member of the original Board of Directors, served as Treasurer, and prepared a most effective recruiting plan that was instrumental in LLI's

membership growth. He was also a key member of LLI's strategic planning team. With his expertise in health care programs, Phil taught health-related courses for LLI and arranged for various speakers who made presentations on several aspects of health care, including Social Security, Medicare, long-term care insurance, and assisted living. LLI is greatly appreciative to Phil for his many efforts in making LLI the organization we know today.

Another founding member of LLI, **Alan Mayer**, passed away at age 91 on December 4, 2016. Alan was a World War II veteran, and following many years of service with the CIA, was awarded the Intelligence Medal of Merit. He also served in the Virginia House of Delegates from 1986 to 1996. Alan was LLI's Vice President during the presidency of LLI's founder, Knox Singleton, and ultimately became LLI's second President. He was instrumental in solidifying LLI's relationship with Northern Virginia Community College during LLI's formative years. When, at one time, LLI's use of the Forum room was in jeopardy, Alan intervened and secured our use of the room rather than the theater. He also established

relationships with the various venues which we still use today for our courses. As then-coordinator of LLI's Study/Travel program, Alan organized trips to Provence and Portugal. He also taught courses on Virginia state government and politics, and led a trip to Richmond to observe the General Assembly in session. His contributions to LLI are beyond measure.

Longtime LLI member **James Varner** passed away on January 1. James, a retired U.S. Army Lieutenant Colonel, was commissioned in the Signal Corps and served in Korea, Vietnam, Germany, Iran, and various posts in the United States. Following his Army service, he retired from the Department of the Treasury as a Project Manager. James and his wife Marilyn enjoyed attending a variety of LLI courses, including our archeology field trips. James also had a particular interest in our National Park Service courses. He is described by a fellow LLI member as "...a very calm, wonderful man."

On January 5, **Esther Pincus**, wife of LLI Forum Committee Chair Joseph Pincus, passed away. LLI members who knew Esther greatly admired her passion for gardening. She covered every facet — from assessing gardening needs, researching appropriate plants/shrubs, planning their placement, and then carrying out the planting. Although she had been ill, one LLI member said that Esther "...didn't miss a beat: she asked me about all the various shrubs/annuals I had planted in October, remembering what they were and where they were planted in our yard, and asked how they were doing." The LLI member described Esther as "remarkable." Esther retired from the Fairfax County School System, most recently as a Guidance Counselor.
