Use this form to suggest a speaker or topic for an LLI/NOVA Forum.

Fill out the form and email to the LLI/NOVA administrator at: admin@llinova.org

PLEASE NOTE: The proposed subject should be of widespread interest and significance to our audience. (Narrowly focused topics are better suited for an LLI Course.) Avoid religion and politics, except in an historical perspective. If a subject can be considered controversial, we would like the speaker to cover multiple viewpoints in order to provide for a balanced program. Please note that we do not pay for Forum speakers. However, the LLI/NOVA Board of Directors has authorized a \$50 gift card for a local bookstore; we check beforehand to make certain the speaker is allowed to accept this gift.
