

KINDNESS AND RESPECT  
**MORE DISCUSSION QUESTIONS**

1. Today, cell phones and social media help people stay connected. However, is technology causing a bit of social callousness?
  
2. Is there an excessive reliance on technology that may cause unkindness and disrespect? What about the person more concerned with texting than talking in person?
  
3. Are some people more self-absorbed in their phones so they miss opportunities for kindness and respect?
  
4. How often do we ask a person “how are you?” How often is it more of a courtesy than a deep-felt concern for the person?
